

Appln No. 10/623,839
Amdt date November 10, 2003

REMARKS/ARGUMENTS

Claims 1-20 are in the present application. New claims 2-20 have been added. Applicants respectfully request that this amendment be entered prior to any substantive examination.

The specification has been amended to enter patent numbers for related applications that have been issued, and also to enter priority information.

Respectfully submitted,
CHRISTIE, PARKER & HALE, LLP
